

Book of Lists

Top ten lists

Your assignment is to create your very own book of lists. I have provided you with six examples of things that I want you to include:

Top ten lines I have ever heard in a movie.

Top five scariest moments in my life – give a detailed description of the event and why it was so scary.

Top five greatest things I have ever said. – give a description of the thing you said and why it was so great.

The top five songs in my life. – name the song and tell the reader what type of impact the song has had on your life.

The top three pieces of advice you have ever been given – name the person and tell the reader what advice they had to give.

The five most incredible things I have ever seen in my life – tell the reader what you saw, and the impression that it made on you.

Now, you are to come up with at least four others to include.

You will hand in a book of list, including a title page, an introduction, and at least ten lists. I want you to also include your list poem at the end of the book.

Good luck, and have fun.
